

Effective: Fall 2024, Winter 2025, Spring 2025

RELATIONSHIP TO PROGRAM VOCATIONAL LEARNING OUTCOMES

PROGRAM LEVEL	
This course contributes to your program by allowing you to demonstrate the following vocational learning outcomes:	
Program(s)	Vocational Learning Outcomes
Mechanical Engineering Technician - Industrial Mai	<p>Ministry Standards</p> <ol style="list-style-type: none"> 1. Complete all work in compliance with current legislation, standards, regulations and guidelines. 2. Apply quality control and quality assurance procedures to meet organizational standards and requirements. 3. Comply with current health and safety legislation, as well as organizational practices and procedures. 4. Apply sustainability best practices in workplaces. 5. Use current and emerging technologies to support the implementation of mechanical engineering projects. 6. Analyze and solve mechanical problems by applying mathematics and fundamentals of mechanical engineering. 7. Interpret, prepare and modify mechanical engineering drawings and other related technical documents. 8. Manufacture, assemble, maintain and repair mechanical components according to required specifications.

COURSE CURRICULUM

Topics/Concepts Covered in This Course

- Machine Lathes
- Band & Cutoff Saws
- Grinders & Grinding Wheels
- Milling Machine

COURSE LEVEL: Learning Outcomes and Objectives	
To earn credit for this course, you must reliably demonstrate your ability to:	
Learning Outcome	Objectives
1. Utilize safe working procedures and proper protective equipment in a machine shop environment.	<ol style="list-style-type: none"> 1.1 Identify safety equipment used for protection in a machine shop environment. 1.2 Identify safe working procedures when handling machine shop tools and equipment.
2. Identify and comply with basic set-up and manufacturing skills by	<ol style="list-style-type: none"> 2.1 Read & interpret a set of drawings. 2.2 Apply principles of metal cutting using standard tools.

Learning Outcome	Objectives
selecting proper tools and applying the principles of metal cutting.	
3. Define the relationship between speeds and feeds during the various machining operations.	3.1 Identify specific safety issues of the various machines.
4. Perform various manufacturing tasks to complete a final product.	4.1 Apply proper and safe working practices in a shop environment. 4.2 Apply safe and proper equipment operation skills. 4.3 Apply basic machining skills with handtools, drill press, saws and lathe. 4.4 Apply grinding skills on a pedestal grinder to make a cutting tool.

Essential Employability Skills

Communication

- not applicable

Numeracy

- execute mathematical operations accurately.

Critical Thinking and Problem Solving

- use a variety of thinking skills to anticipate and solve problems.

Information Management

- analyze, evaluate, and apply relevant information from a variety of sources.

Interpersonal

- interact with others in groups in ways that contribute to effective working relationships.

Personal

- manage the use of time and other resources to complete projects.

Delivery Method

- Classroom: Course is delivered through scheduled synchronous teaching that may be face-to-face and/or virtual.

Learning Activities

- Lectures
- Class Discussions
- Labs
- Self-Directed Learning
- In-Class Exercises
- One-to-One Instruction

Resources Required

Additional Supplies

Calculator, pen, paper, Textbook
Machining training documentation.

Millwright Manual

Tools as per tool list provided

Evaluation Plan

Grading Scheme

A	80% - 100%
B	70% - 79%
C	60% - 69%
F	0% - 59%

Evaluation Method	Value (%)
Professional Conduct	10%
During lab class a student will be evaluated on their professionalism, which will include their adherence to safety protocols and participation in lab activities. As hands on skills are acquired during lab class, a student's continued participation in the machining lab will be reviewed by the professor after missing more than 3 classes.	
Test/Exam	40%
4 quiz equal value for 10% 2 tests equal value for 30%	
Applied Activities (G)	50%
4 components will be manufactured in the lab and marked at equal value. All assigned lab projects must be manufactured during lab time in Cambrian College's machine shop. Violation of this protocol will result in a grade of 0 (0%) for the project. All projects due one week prior to end of semester for final marking. Review of projects will occur during final class	

ADDITIONAL INFORMATION

A course outline is the College's commitment to the students. It supports educators, students, employers and other external stakeholders in determining the depth of knowledge and level of performance that a student will be able to demonstrate upon successful completion of a course. Both instructor and student are obligated to follow the content of the course outline. It is your responsibility to meet these outcomes as assigned.

Note: You should maintain a copy of this course outline for your records. You may require this course outline if you seek transfer credits or further studies at other institutions.

Cambrian Email Addresses

All email correspondence with currently registered students must be via the students' College-issued email, as per the College's [IT Acceptable Use Policy](#). Students must familiarize themselves with the IT Acceptable Use Policy, as it outlines the acceptable use of College information systems and technology, and mitigates risks to the College's IT infrastructure.

Bring Your Own Device (BYOD) and Apps Anywhere

Cambrian College is a BYOD institution, which means that students bring the device of their choice that meets program-specific minimum requirements. Program-specific requirements can be viewed in the "Plan Your Future" section on program web pages. AppsAnywhere is an easy-to-use app store-like

platform providing students a way to access their College apps and software on demand, anywhere, anytime both on and off campus.

These both enrich the student learning experience in and out of the classroom, while providing maximum flexibility.

Policies

It is the student's responsibility to be aware of the College's [Academic Policies](#). The Academic Policies apply to all applicants to Cambrian and all current students enrolled in any program or course offered by Cambrian, in any location. Academic policies, procedures, and forms can be found on the Cambrian website.

Academic and Student Services

Cambrian has a variety of student and academic services to support students during their academic journey at the College.

- [Academic Success Centre](#)
- [Bookstore and Campus Store](#)
- [International Student Support Services](#)
- [KPMG Pride Centre](#)
- [Career Centre](#)
- [Registrar's Office \(Enrolment Centre\)](#)
- [First Step Centre](#)
- [Accessibility Services](#)
- [Library](#)
- [Pathways](#)
- [Available Scholarships and Bursaries](#)
- [Cambrian Student Council \(CSC\)](#)
- [Cambrian Indigenous Student Circle \(CISC\)](#)
- [Cambrian Athletic Association \(CAA\)](#)
- [Student Life Centre](#)
- [Test Centre](#)
- [The Learning Centre \[Tutoring Services\]](#)
- [Wabnode Centre for Indigenous Services](#)
- [Women's Resource Centre](#)

Copyright

Copyright is the exclusive legal right given to a creator to reproduce, publish, sell, or distribute his/her work. All members of the Cambrian community are required to comply with Canadian copyright law, which governs the reproduction, use and distribution of copyrighted materials. This means that the copying, use and distribution of copyright-protected materials, regardless of format, are subject to certain limits and restrictions. For example, photocopying or scanning an entire textbook is prohibited, nor is uploading class materials to course sharing sites.

See the [Cambrian Library website](#) for additional information regarding copyright and for details on allowable limits.

Audio/Visual Capture

Sounds and images from this class, and contributions made by a participant, virtually or in-person, are recorded under the authority of the Ontario Colleges of Applied Arts and Technology Act, 2002. The main purpose of these recordings is to allow students enrolled in the course to review content and engage in activities, whether they attend any given class in person, virtually, or at all. Class recordings are for personal use only and shall not be shared or transferred. Faculty may also review these recordings to prepare for future classes, evaluate students, collaborate in program reviews, or

provide feedback to faculty and/or students. Any questions about the use of multimedia recordings may be addressed to your respective Dean.

Equity, Diversity, and Inclusivity

Cambrian is committed to building and preserving an equitable, diverse, and inclusive learning community where students, faculty, and staff may achieve their full potential in an environment characterized by equality of respect and opportunity. All students and employees have the right to live and work in an environment that is free from discrimination and harassment. Therefore, Cambrian College will not tolerate any form of discrimination or harassment in its employment, education, accommodation, or business dealings. For more information, please visit: [Equity, Human Rights, and Accessibility](#).

Prior Learning Assessment and Recognition (PLAR)

Students wishing to have work or life experience that meets course learning outcomes considered for credit through Prior Learning Assessment and Recognition should contact the [Pathways Office](#).

Transfer Credit

Students wishing to have courses from other programs or institutions assessed for equivalency and/or transfer credit should visit the [Transfer Credits page](#) on the Cambrian website. The student should maintain a copy of this course outline for their records. Students may require this course outline if seeking transfer credits or further studies at other institutions.

Test Proctoring at Cambrian

Many courses include major tests and/or final exams. The practice at Cambrian requires that these types of test situations involve proctoring to ensure academic integrity. Online tests/exams may employ a proctoring services to enable you to take your exam from a location of your choosing within a period specified by your instructor. When you are taking an online test/exam, the proctoring service may capture your video, screen, audio, and web surfing data to protect academic integrity. Cambrian College collects, uses, discloses, and retains personal information in compliance with the Freedom of Information and Protection of Privacy Act (FIPPA). Your personal information is being collected under the authority of the Ontario Colleges of Applied Arts and Technology Act S.O. 2002, c.8, Sched. F. This information will be used for the purpose of administering a test/exam through an online proctoring service acting as an authorized agent of the College. Please refer to Cambrian's [Official Student Records Policy](#) for more details. If you have any questions regarding the collection of your personal information, please contact Vice President Academic, Cambrian College, 1400 Barry Downe Rd., Sudbury ON P3A 3V8, 1-705-566-8101 ext. 6245.

Schools of Skills Training, Engineering Technology & Environmental Studies Regulations

Lab Attendance

This course includes a mandatory lab component. The grading in this course will include the evaluation of lab reports and performance during labs.
